**Re: *Victoria Dicks v. Ben-Amun Co., Inc.***  
**1:22-cv-08150-LJL-VF**

Dear Judge Figueredo:

This firm is counsel to defendant Ben-Amun Co., Inc. in the above-captioned matter.

Under the relevant Rules, defendant's deadline for a responsive pleading (or motion) is November 1. However, in order to adequately review the facts and allegations and prepare the response, Defendant is seeking a thirty-day extension of the time to Answer or otherwise respond.

Plaintiff's counsel has given consent to the extension requested. Defense has not asked for any extensions in the past.

Accordingly, defendants respectfully request an extension of time, until **Wednesday, November 30**, to answer, move, or otherwise reply to the Complaint.

We thank the Court for its kind consideration in this matter.

Sincerely,

Ben D. Manevitz
